NOTES TO FINANCIAL STATEMENTS

YEAR ENDED JUNE 30, 2012

(With Comparative Totals for 2011)

NOTE 1 - DESCRIPTION OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Business Operations

Animal Care and Control of New York City, Inc. ("the Organization"), a corporation organized "not for profit", is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code.

The Organization was created for the charitable purposes of providing animal care and control services in the City of New York. The Organization began operations on January 1, 1995 as the sole organization responsible by law for the care of New York City's entire homeless and unwanted animal population. The Organization is committed to providing the most humane care possible for the hundreds of animals that are brought to the shelters each day. The mission of the Organization is to promote and protect the health, safety and welfare of pets and people in New York City.

B. Promises to Give

Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance unconditional. Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restriction. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.

The Organization uses the direct write-off method when unconditional promises receivable are deemed uncollectible. The direct write-off is based upon management's analysis of specific promises made.

C. Contributed Services

During the year ended June 30, 2012, the value of contributed services meeting the requirements for recognition in the financial statements was not material and has not been recorded. In addition, many individuals volunteer their time and perform a variety of tasks that assist the Organization at the shelter facilities and at fundraising events, but these services do not meet the criteria for recognition as contributed services. The Organization receives more than 1,994 volunteer hours per month.

D. Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, results could differ from those estimates.

YEAR ENDED JUNE 30, 2012

(With Comparative Totals for 2011)

NOTE 1 - DESCRIPTION OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

E. Property and Equipment

It is the Organization's policy to capitalize property and equipment over \$1,000. Lesser amounts are expensed. Purchased property and equipment is capitalized at cost. Donations of property and equipment are recorded as contributions at their estimated fair value. Such donations are reported as unrestricted contributions unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted contributions. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Organization reclasses temporarily restricted net assets to unrestricted net assets at that time. Property and equipment are depreciated utilizing both the straight-line and accelerated method over the estimated useful life of the assets.

Certain property and equipment used by the Organization is owned by New York City under a funding Agreement. The Organization is responsible for acquiring items needed in order to run the facility; however, title will not pass to the Organization upon termination of the Funding Agreement. Therefore, most capital items are expensed within the year that the City funds the purchase.

F. Financial Statement Presentation

The Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

G. Income Taxes

The Organization is a not-for-profit organization that is exempt from income taxes under Section 501(c) (3) of the Internal Revenue Code and classified by the Internal Revenue Service as other than a private foundation. The Organization is subject to routine audits by various federal, state and local taxing authorities; however, there are currently no audits for any tax periods in progress. The Organization believes it is no longer subject to income tax examinations for years prior to 2008.

The Organization accounts for uncertain tax position in accordance with Financial Accounting Standards Board (FASB) ASC 740. FASB ASC 740 prescribes a recognition threshold and measurement process for financial statement recognition of uncertain tax positions taken or expected to be taken in a tax return. The interpretation also provides guidance on recognition, derecognition, classification, interest and penalties, accounting in interim periods, disclosure and transition. The Organization adopted the provisions of FASB ASC 740 on January 1, 2009. There was no impact on the total net assets as a result of the adoption of FASB ASC 740.

YEAR ENDED JUNE 30, 2012

(With Comparative Totals for 2011)

NOTE 1 - DESCRIPTION OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

H. Contributions

Under Accounting Standards Board (FASB) ASC 958 (formerly Statement of Financial Accounting Standards No. 116, Accounting for Contributions Received and Contributions Made), contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence or nature of any donor restrictions.

I. Cash Equivalents

For purposes of the statement of cash flows, the Organization considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents.

J. Rent Expense

The Organization records rent expense associated with its office lease on a straight-line basis over the life of the lease. The difference between the straight-line amount and the amount actually paid during the year is recorded as a liability and an expense in the accompanying financial statements.

K. Advertising Costs

Advertising costs are charged to operations when the advertising first takes place. Advertising expense for the years ended June 30, 2012 and 2011 was \$21,053 and \$132,698, respectively. Advertising expenses for the years ended June 30, 2012 and 2011, includes approximately \$0 and \$98,000 in advertising costs, respectively, that were donated to the organization and are reflected in In-Kind Contributions.

L. Medical Supplies, Medications and Products

Medical supplies, medications and products are purchased on an as needed basis and are expensed upon purchase. The dollar value of the supplies on hand at any given time is not material. It is the Organization's decision not to maintain inventory on its balance sheet.

M. Bad Debt Expense

Effective fiscal year ending 2011, the organization has elected to record shelter revenue on a cash basis. This is based upon historical analysis reflecting a high percentage of the accounts receivable earned from the shelters being deemed uncollectable.

NOTE 2 - RESTRICTIONS ON NET ASSETS

Temporarily restricted net assets are available for the following programs:

	<u>JUNE 30, 2012</u>	<u>JUNE 30, 2011</u>
Animal Care Fund	\$ 68,383	\$ 256,902
Public Education Fund	913	734

NOTE 4 - PROPERTY AND EQUIPMENT

	<u>JUNE 30, 2012</u>	<u>JUNE 30, 2011</u>
Leasehold Improvements	\$ 101,694	\$ 101,694

The cost of certain equipment and facilities, which are used by the Organization in connection with its Shelter Operations, is not reflected in the statement of financial position because the assets' titles remain with the City of New York. The Organization has not included an estimate of contribution revenue and program expense in the accompanying statement of activities for the free use of the equipment and facilities during the years ended June 30, 2012 and June 30, 2011.

NOTE 5 - NEW YORK CITY FUNDING

The Organization, through its contract with the City of New York, has a license to use and occupy three City owned buildings as animal care facilities: Manhattan Animal Care Facility, Brooklyn Animal Care Facility and Staten Island Animal Care Facility. The Organization also uses two facilities that are leased through the City: Queens Animal Receiving Facility and the Bronx Animal Receiving Facility. To the extent funding is provided for in the agreement, the Organization is responsible for general repairs, insurance and maintenance of the premises. Since fair value has not been determined, the benefit of the use of the five facilities has not been reflected within the financial statements.

The City assumed responsibility for the payment of the Organization's utilities, for locations owned or leased by the City, effective July 1, 2006. Accordingly, the value of the utilities paid by the City on behalf of the organization has been included in both Contract Revenue and Occupancy Expense in the accompanying financial statements for the year ended June 30, 2012 and June 30, 2011 totaling \$317,452 and \$309,709, respectively.

(With Comparative Totals for 2011)

NOTE 6 - COMMITMENTS AND CONTINGENCIES

- A. The contract with the City of New York is subject to audit by the City.
- B. The Organization is a defendant in various legal action seeking compensatory damages for alleged claims sustained while working for, or visiting, the Organization and for alleged negligence in performing its duties. Management believes that the outcome of these actions will have no material effect on the financial position of the Organization. Accordingly, no amounts have been provided in the accompanying financial statements for such potential claims.
- C. Certain grants and contracts may be subject to audit by funding sources. Such audits may result in disallowance of costs submitted for reimbursement. Management is of the opinion that such cost disallowances, if any, will not have a material effect on the accompanying financial statements. Accordingly, no amounts have been provided in the accompanying financial statements for such potential claims.

NOTE 7 - CONCENTRATION OF CREDIT RISK

The Organization maintains certain cash balances at institutions in New York. The cash balances at times may exceed federally insured limits.

The Contract with the City of New York accounts for more than 75% of the Organization revenues.

NOTE 8 - LEASE COMMITMENTS AND RENTAL EXPENSE

On August 3, 2009, the Organization lease re-negotiated their office space lease in Manhattan. The term of the lease is a four year and expires August 31, 2013.

The Office lease provides for the minimum annual payments as follows:

<u>Year Ending June 30,</u>	
2013	199,609
2014	33,416

NOTE 9 - DONATIONS IN-KIND

The organization receives donations in-kind from various individuals and organizations. These donations are comprised predominantly of services and supplies, such as food, blankets, leashes, and toys, used in shelter operations. Management has estimated the value of these items received for the year ended June 30, 2012 and June 30, 2011 to be approximately \$527,336 and \$205,322, respectively. These donation amounts have been recorded net of their associated expenses, and accordingly, are reflected in the accompanying financial statements.
