

ADOPT A KENNEL

*If you can't bring home a dog or cat today,
Adopt a Kennel for a day!*

For a \$50.00 donation, you can *Adopt a Kennel* for a day and help make a dog or cat's temporary home better.

The money you donate will be used to provide care, support and love to the cat or dog staying in that space by providing food and water.

If you make a \$500.00 donation, your gift will help provide care for a month.

With your \$500 donation, we'll also post a *Sponsored by* sign with your name on it on the sponsored kennel to showcase your generosity and encourage others to do the same.
