* AC&C only performs Owner Requested Euthanasia to relieve the suffering of a pet when the pet's life has seriously deteriorated due to illness or injury and no other remedy is possible. Aggressive animals are also euthanized. Healthy, well tempered pets are not euthanized on demand.

Note: Minor variances in data reports are normal and stabilize over time. Variances result from closing or correcting records after the first of the month. These minor variances do not affect the overall trends conveyed in the reports. Corrections include: updating incorrect or missing outcome types or dates, removing duplicate records, and correcting user input errors discovered in routine data audits conducted by shelter supervisors and administrative staff.

Note: The figures for adoptions includes animals transferred to our new hope partners.
