About Animal Care & Control of NYC

Animal Care & Control of NYC (AC&C) is one of the largest animal welfare organizations in the country, taking in approximately 30,000 animals each year. AC&C is a 501(c)(3) nonprofit that rescues, cares for and finds loving homes for animals throughout the five boroughs. AC&C has a contract with the City of New York to be an open-admissions organization, which means it never turns away any homeless, abandoned, injured or sick animal in need of help, including cats, dogs, rabbits, small mammals, reptiles, birds, farm animals and wildlife. It is the only organization in NYC with this unique responsibility.
