**Help AC&C Ensure that a Deserving Animal Has A Home for the Holiday**  
Holiday Pet Adoption Campaign Runs Through the End of the Year

NEW YORK –With as many as 35,000 cats, dogs and rabbits rescued each year, Animal Care and Control of New York City (AC&C) reminds New Yorkers to consider adopting a pet this holiday season. Adopting an animal from AC&C ensures that homeless animals have the best chance at experiencing a happy life with a new family. “Our holiday campaign is designed to encourage New Yorkers to meet and hopefully adopt one of the wonderful animals available for adoption,” said Julie Bank executive director of AC&C.

The holiday campaign includes:

- **Special adoption fees.** Adopt one cat and get a second one at no cost. Receive half off AC&C adoption fees for dogs one year and older.
- **Special adoption gift bags** with each adoption (while supplies last).
- **A wide selection** of cats, dogs and rabbits to meet and fall in love with.
- **Gift Certificates.** Prepaying for the adoption of a pet as a gift is the best way to ensure that a person who receives a pet is prepared to bring their animal home. Gift certificates are available for sale at our Care Centers.
- **Convenient adoption hours.** Three AC&C locations are open every day from 12 p.m. to 7 p.m.
- **Adopt a cat at the 2011 Whiskers in Wonderland special cat adoption event** on Dec. 17 and 18 from Noon to 6 p.m. Metropolitan Pavilion, 125 W. 18th Street (b/w 6th and 7th Ave). For more information go to [www.whiskersinwonderland.org](http://www.whiskersinwonderland.org).

**About Animal Care & Control**

Committed to Caring

Animal Care & Control of New York City (AC&C) is the largest pet organization in the Northeast, with nearly 40,000 animals rescued each year. As a non- profit organization since 1995, AC&C has been responsible for New York City's municipal shelter system; rescuing, caring for and finding loving homes for homeless and abandoned animals in New York City. AC&C facilities operate in all five boroughs to service all NYC communities.
