TRENDS IN ANIMAL WELFARE

National Data

Canine Euthanasia Rates

Williamson County shelter overcrowded as animal intakes surpass adoptions

Animal intake is topping adoptions across the state of Tennessee, and the Williamson County Animal Center is just one example of overcrowding.

Austin Animal Center 'beyond the crisis point,' further restricts intake

The city shelter has contended with ongoing capacity issues over recent years.

Broward County's animal shelter remains overflowing with cats, dogs

Despite a host of incentives being offered to prospective pet owners, Broward County Animal Care officials say their shelter remains at overcapacity...

'This is not something we've experienced before': Large dog adoptions down at SPCA, at capacity

The SPCA Serving Erie County is no longer taking any large dogs, as more are coming in than going out, which is putting the shelter in an unprecedented...

Richmond Animal Care and Control facing overcrowding crisis amidst surge in animal intake

The shelter, which maintains the responsibility of taking in the city's stray animals, is issuing urgent appeals for adoptions to alleviate the strain on...

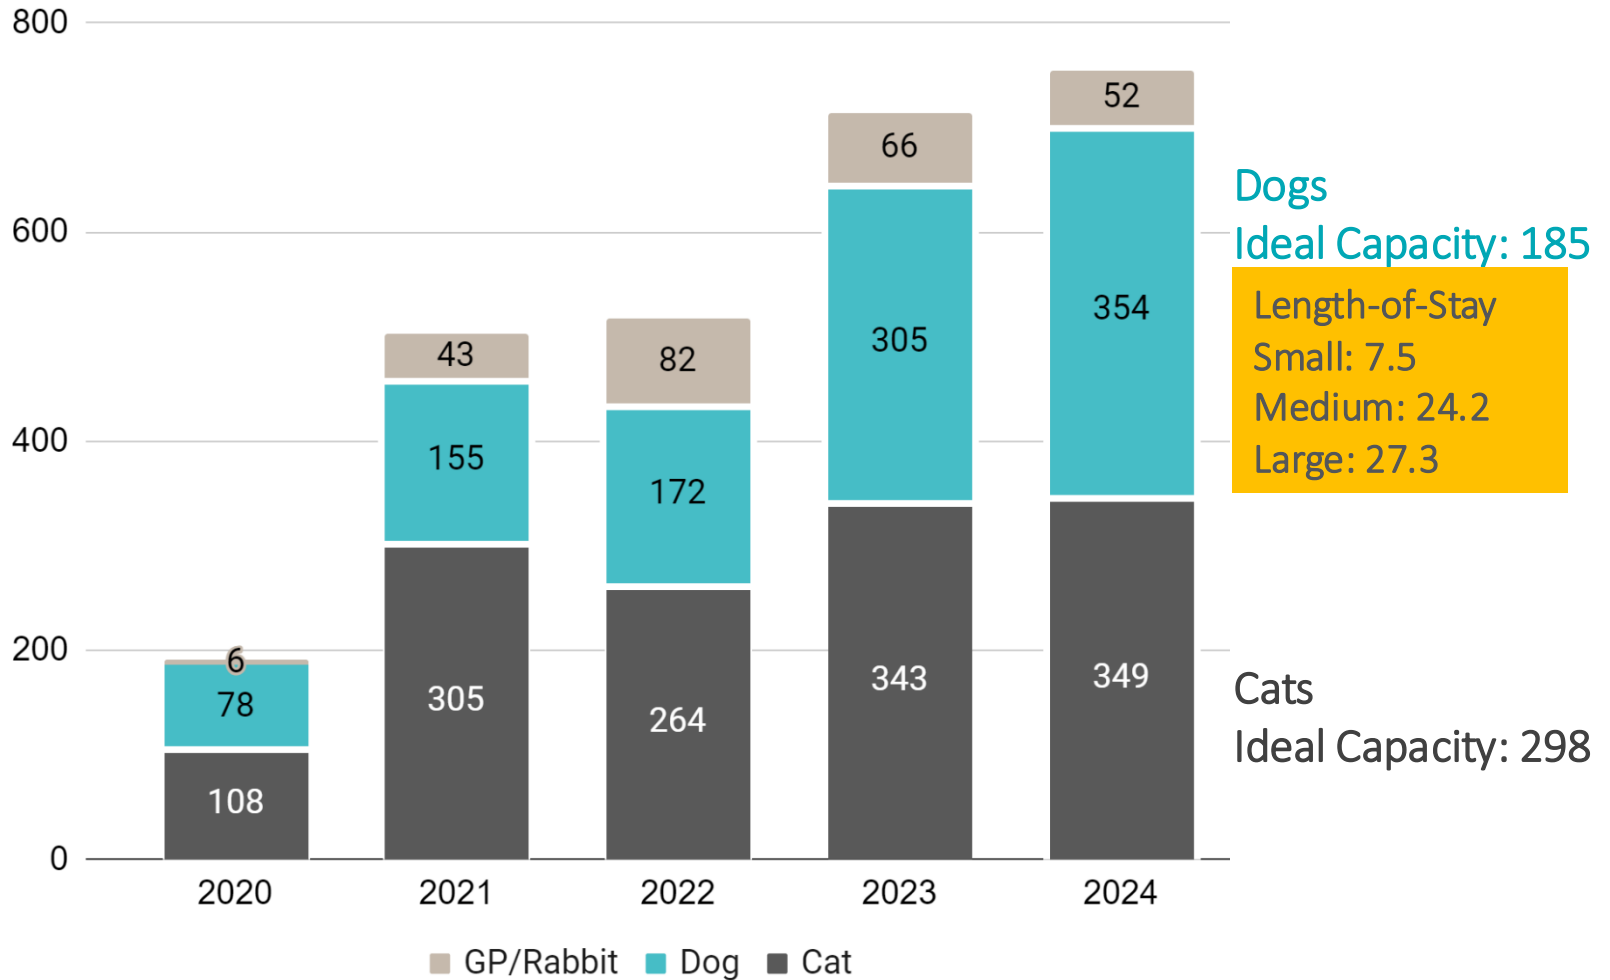

Intake of animals at Denver Animal Shelter highest in 10 years

Year-Over-Year (Jan – May)

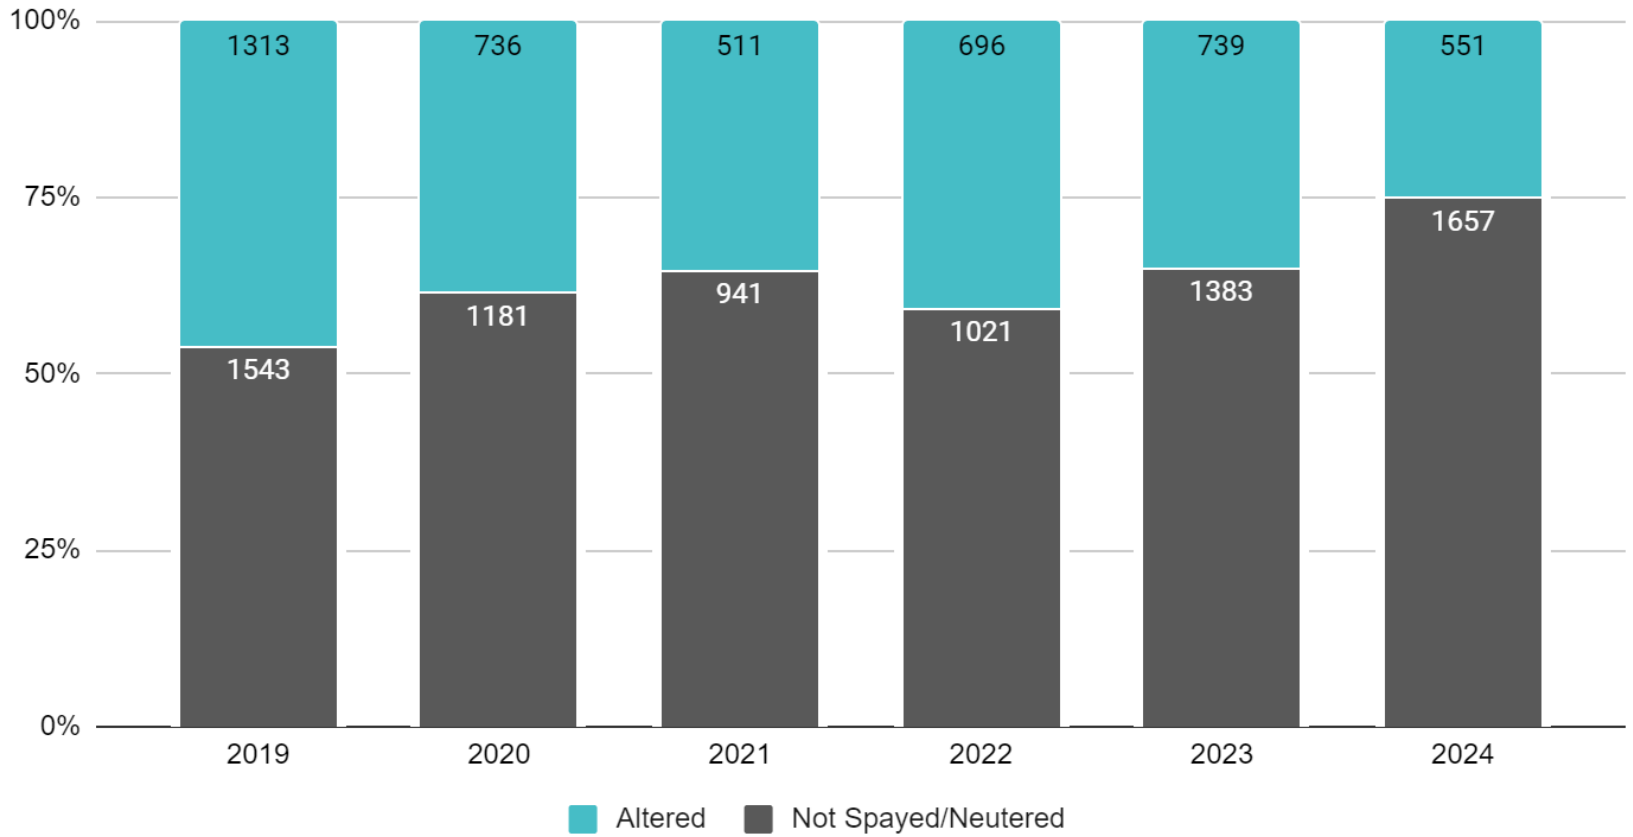

DOG POPULATION

SPAY/NEUTER STATUS AT INTAKE

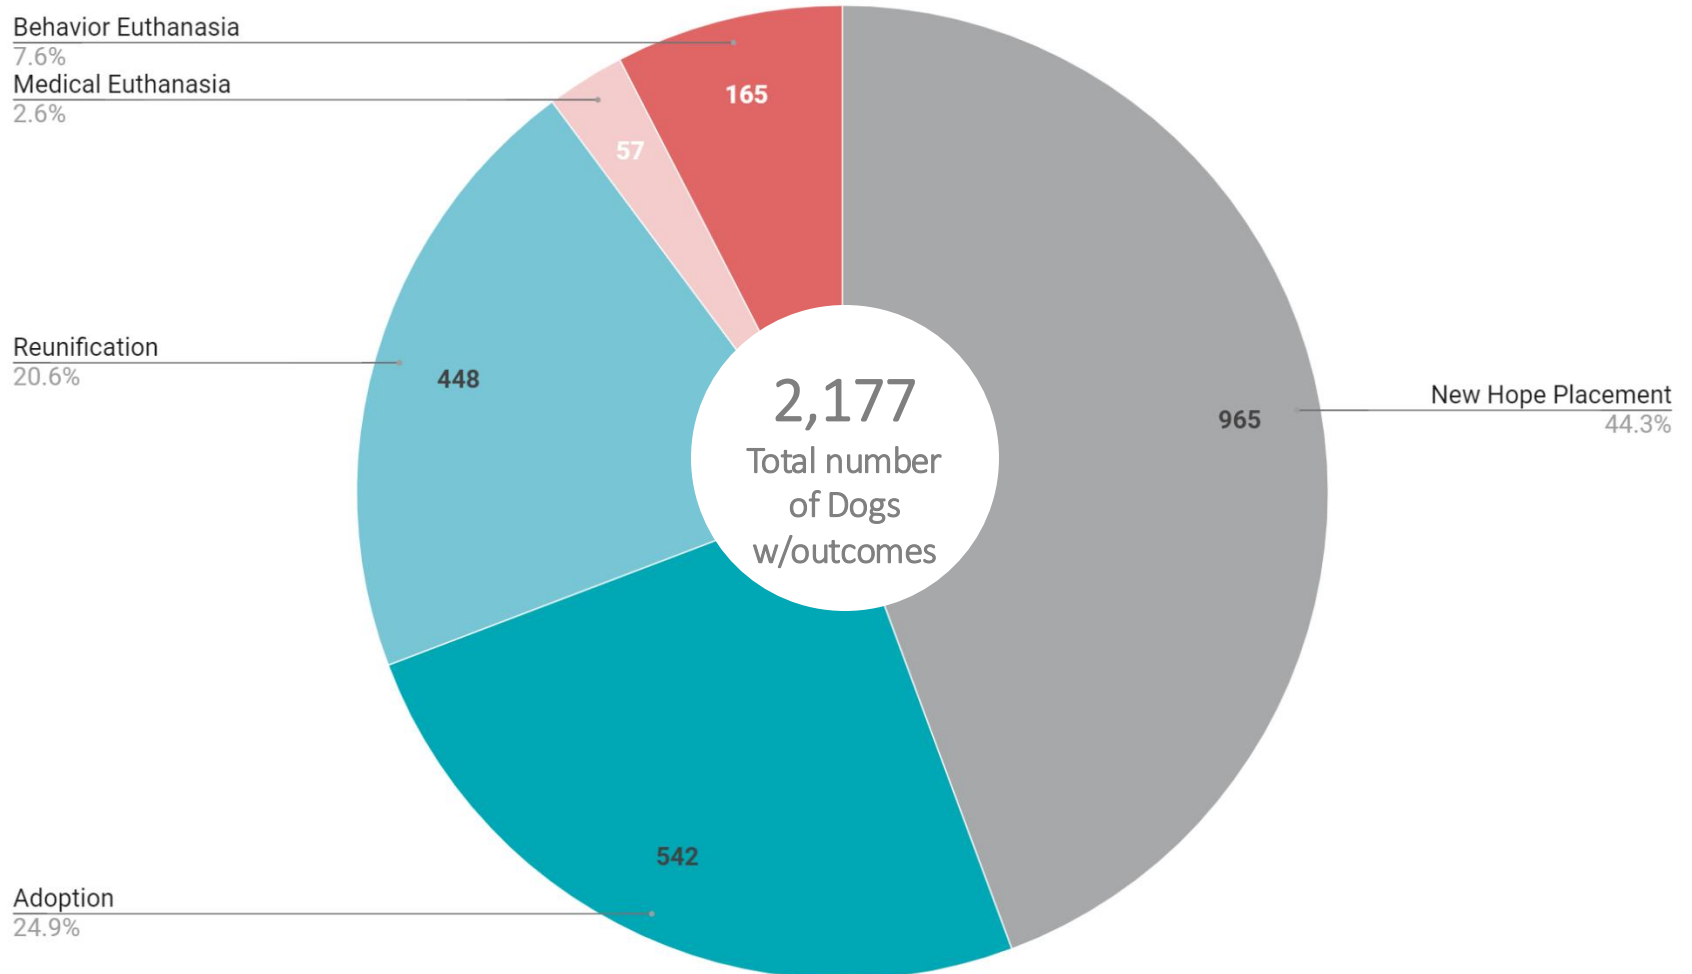

JAN - MAY

PLACEMENT RATE (JAN – MAY)

Dogs 89.8% (91.3% in 2023)

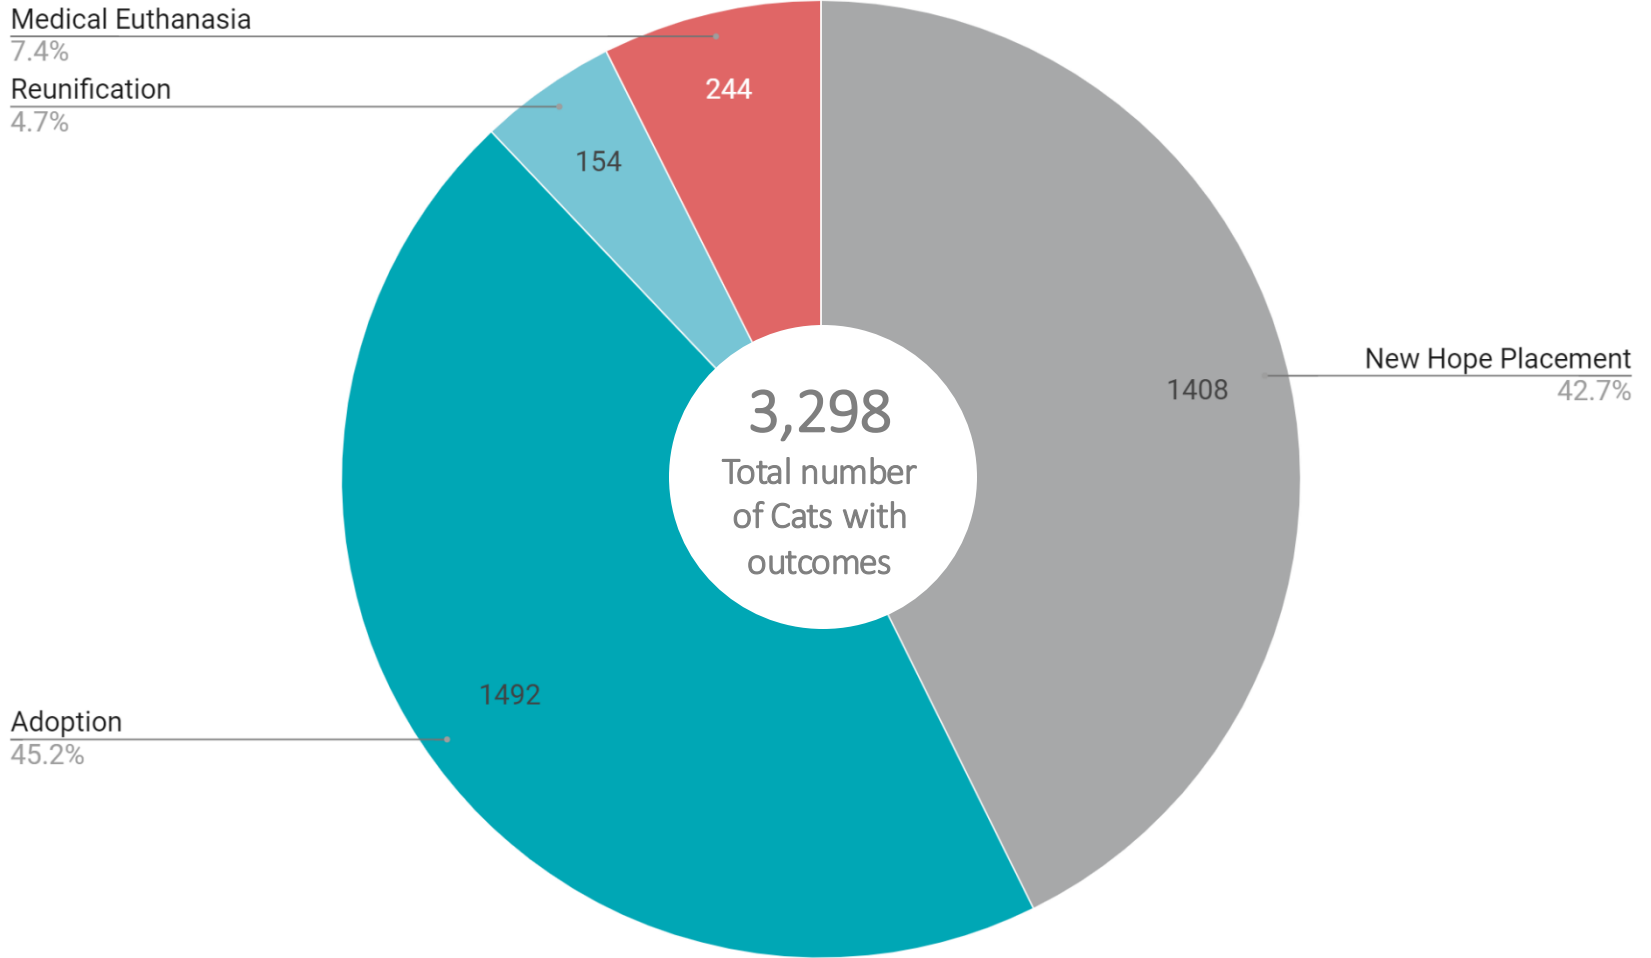

Placement rate = Adoptions + RTH + New Hope/Total outcomes (does not include end-of-life services or in-shelter death)

PLACEMENT RATE (JAN – MAY)

Cats: 92.6% (91% in 2023)

Placement rate = Adoptions + RTH + New Hope/Total outcomes (does not include end-of-life services or in-shelter death)

INCREASING PLACEMENT

- Priority Placement List
- Behavior Deterioration Fund
- ACC's Foster Pet Map

Priority Placement Dogs

The purpose of the PPL is to give additional highlighted exposure to dogs in our care who need placement to be prioritized by partners and adopters. The PPL will appear in a spreadsheet-style format and be updated three times per week.

Criteria for Priority Placement

- Dogs with a length of stay of 30+ days.
- Dogs exhibiting changes in behavior including signs of deterioration.
- Level 4 dogs between time of behavior assessment and 30 days in care.
- New Hope Only dogs between time of assessment and one week in care.
- DOH-Victim dogs

For terminology definitions, [click here](#).

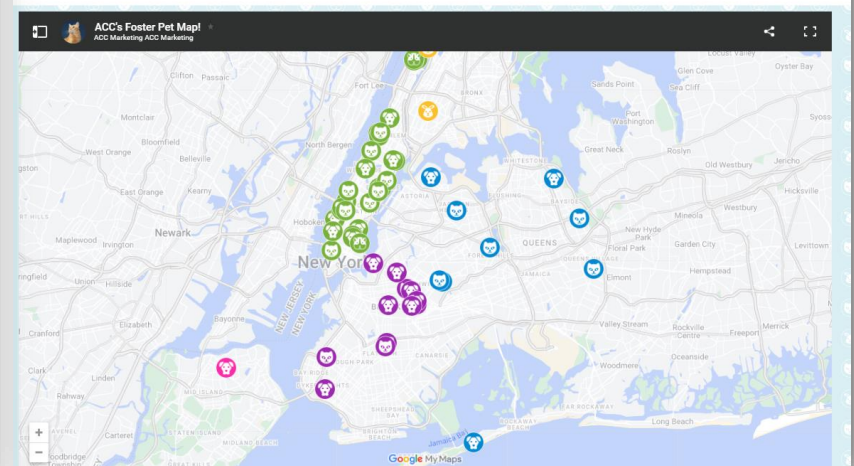

ACC Priority Placement Dogs

Discover your next furry friend right in your own neighborhood with ACC's Foster Pet Map!

Introducing ACC's Foster Pet Map! This interactive tool highlights the city map with approximate locations of foster pets, making it easy to find a potential new family member close to home. Whether you're looking for a playful pup, a cuddly kitten, or a serene senior, there's a foster pet nearby waiting for a forever home.

Interested in meeting a foster pet? Simply submit an adoption application – once your application is reviewed and approved, ACC's foster team will reach out and connect you with the foster parent to arrange a meet-and-greet. With ACC's Foster Pet Map, your perfect pet might already be in your neighborhood. Don't wait – start your search today and bring home your new best friend!
